## **DO YOU JUST BELONG**

Are you an active member, the kind that would be missed?  
Or are you just content that your name is on the list?

Do you attend meetings and mingle with the flock?  
Or do you meet in private and criticize and mock?

Do you take an active part to help the work along?  
Or are you satisfied to just belong?

Do you work on committees? To this there is no trick.  
Or leave the work to just a few and talk about the clique.

Come to meetings often and help with hand and heart.  
Don't just be a member, but take an active part.

Think it over brothers and sisters you know what's right from wrong.  
Are you an active member, or do you just belong?
