FACILITY USE TO HELP PREVENT THE SPREAD OF COVID-19

The following is the protocol that will be followed at Sheet Metal Workers Local 22 Training Center when the facility is in use.

Classes will be conducted in both the Training Center and the Hall side of the facility.

Facility protocol is as follows:

- Only students that are properly trained and protected using the necessary Personal Protection Equipment (PPE) are permitted to use the facility.
- Sharing PPE is strictly prohibited.
- Masks, gloves, and face protection will be supplied, masks must be worn at all times.
- Social distancing (6 feet) must be maintained at all times in the classrooms, shop, and hall.
- There will be no more than 10 persons including instructors on either the Training Center or Hall side of the facility.
- Students using the Hall side for training must use the hall restroom only.
- Students using the Training Center side for training must use the shop restroom only.
- Female students will use the ladies restroom.
- Hand sanitizer will be supplied and must be used prior to and after the use of restrooms.
